My dear Mirza

276(1)

After our recent conversation I
visited Bangalore and found
that we have already gone too far
& must now build the Saloon for
H.H. the Prince of Wales at whatever
it will actually cost.

I attach a brief memo for
your perusal showing what ^{it} was
my good fortune to be instrumental
in the building up of the present day
Nepan Railway.

With kind regards

Yours sincerely

D. Dani
